

CLEAR Scraps

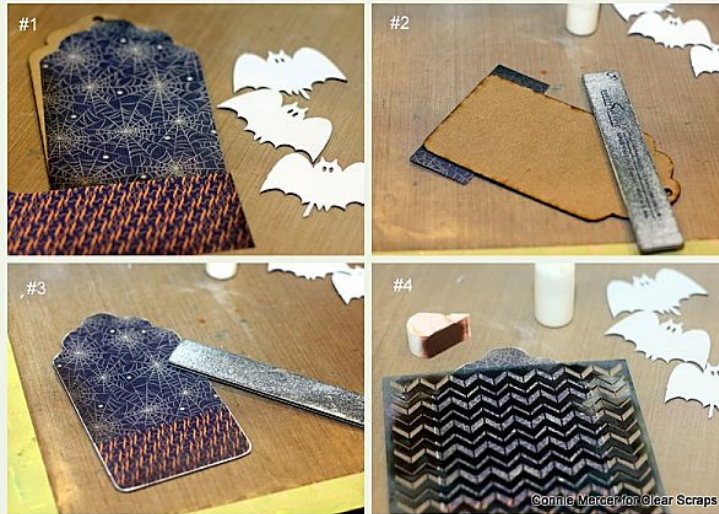

By: Connie Mercer

October Tag 2016

Clear Scraps products used: Chipboard tag, 6" Chevron stencil and chipboard bats.

Other product used: paper/DCWV, Beacon adhesive, trim and acrylic paint.

Instructions:

1. Cover tag with pattern paper. Adhere with Beacon glue and let dry.
2. When dry sand edges of tag on all sides.
3. 3. Paint the chipboard bats with white acrylic paint and dry.
4. Shade bats with black ink.
5. Using **the Chevron Stencil by Clear Scraps** apply the design, in random places, on the front of the tag.
6. Speckle the tag with black acrylic paint (the bats, too).
7. Add the word **BOO** to the bottom of the tag with stickers.
8. Add twine or ribbon to the top of the tag.
